

CALLANDER FRUIT FAIR

Prior to the planting of our own Community **Orchard** at McLaren Leisure Centre in November, **A Fruitful Callander** is organising Callander's first **Fruit Fair**.

Stallholders at the Fair will bring Scottish fruit tree and **apple** varieties. Come along and press your own apple juice! Discover ways to **preserve** fruit from Margaret Lear and local jam makers, and taste Whitehill Preserves' **jams** and cordials.

Learn how to support our local **bees** and bumblebees by making **wildflower** seed bombs and by preparing a bee-friendly winter garden. Lots of **fun** activities for kids too!

*A Callander and
Climate Change
free event*

With the financial support of the Scottish Climate Challenge Fund and the generous offer to use a strip of land by McLaren Leisure Centre, Callander will soon have its own beautiful Community Orchard, filled with a combination of forty apples, pears and plums.

Where : McLaren Leisure Centre
When : Sunday 23rd Oct 2011
Time : From 1 to 4 pm

For more information, call us on: 07511 190851
Email: info@callanderandclimatechange.org.uk
